CERTIFICATE OF CONFORMITY OF THE FACTORY PRODUCTION CONTROL No. 1327-CPR-0204

In compliance with the Regulation (EU) No 305/2011 of the European Parliament and of the Council of 9 March 2011 (the Construction products Regulation or CPR), this certificate applies to the construction products

Air content increasing admixture for concrete BMP

with parameters indicated in the Table below

Entrained air	≥ 2,5% in excess of the control mix
Compressive strength	≥ 75% of the control mix

intended for masonry, external and internal plastering and concrete mix,
produced by the manufacturer

„Vincents Polyline” Ltd

to the address: 29 Cirulu str., Kalngale, Carnikavas region, LV-2163, Republic of Latvia.

This certificate attests that all provisions concerning the assessment and verification of constancy of performance described in Annex ZA of the standard

EN 934-2+A1:2012, T5,

under system 2+ were applied and that

the factory production control is assessed to be in conformity with the applicable requirements.

This certificate was first issued on 21 December 2015 and will remain valid latest on 21 December 2024 as neither the harmonised standard, the construction product, the AVCP methods nor the manufacturing conditions in the plant are modified significantly, unless suspended or withdrawn by the notified factory production control certification body.

Rīga,
21 December 2021

I. Matiss,
Chairman of the Board,
Certification Centre Latvian Academy of Sciences
Dr. Habil. Eng.
