**CERTIFICATE OF CONFORMITY
OF THE FACTORY PRODUCTION CONTROL No. 1327-CPR-0254**

In compliance with the Regulation (EU) No 305/2011 of the European Parliament and of the Council of 9 March 2011 (the Construction products Regulation or CPR), this certificate applies to the construction products

Hardening accelerating admixture for concrete SPEED

with parameters indicated in the Table below

Compressive strength	At 20° C after 24h test mix $\geq 120\%$ of control mix
	At 20°C after 28 days test mix $\geq 90\%$ of control mix
	At 5°C after 48h test mix $\geq 130\%$ of control mix
Air content in fresh concrete	Test mix $\leq 2\%$ by volume above control mix

intended for shortening setting time and accelerating hardening of concrete and mortar, produced by the manufacturer

„Vincent's Polyline” Ltd

to the address: 29 Cirulu str., Kalngale, Carnikavas region, LV-2163, Republic of Latvia.

This certificate attests that all provisions concerning the assessment and verification of constancy of performance described in Annex ZA of the standard

EN 934-2+A1:2012, T7,

under system 2+ were applied and that

the factory production control is assessed to be in conformity with the applicable requirements.

This certificate was first issued on 21 December 2015 and will remain valid latest on 21 December 2027 as neither the harmonised standard, the construction product, the AVCP methods nor the manufacturing conditions in the plant are modified significantly, unless suspended or withdrawn by the notified factory production control certification body.

Rīga,

21 December 2024

I. Matiss,
Chairman of the Board,
Certification Centre Latvian Academy of Sciences
Dr. Habil. Eng.
